CHILDREN'S BIBLE LESSONS

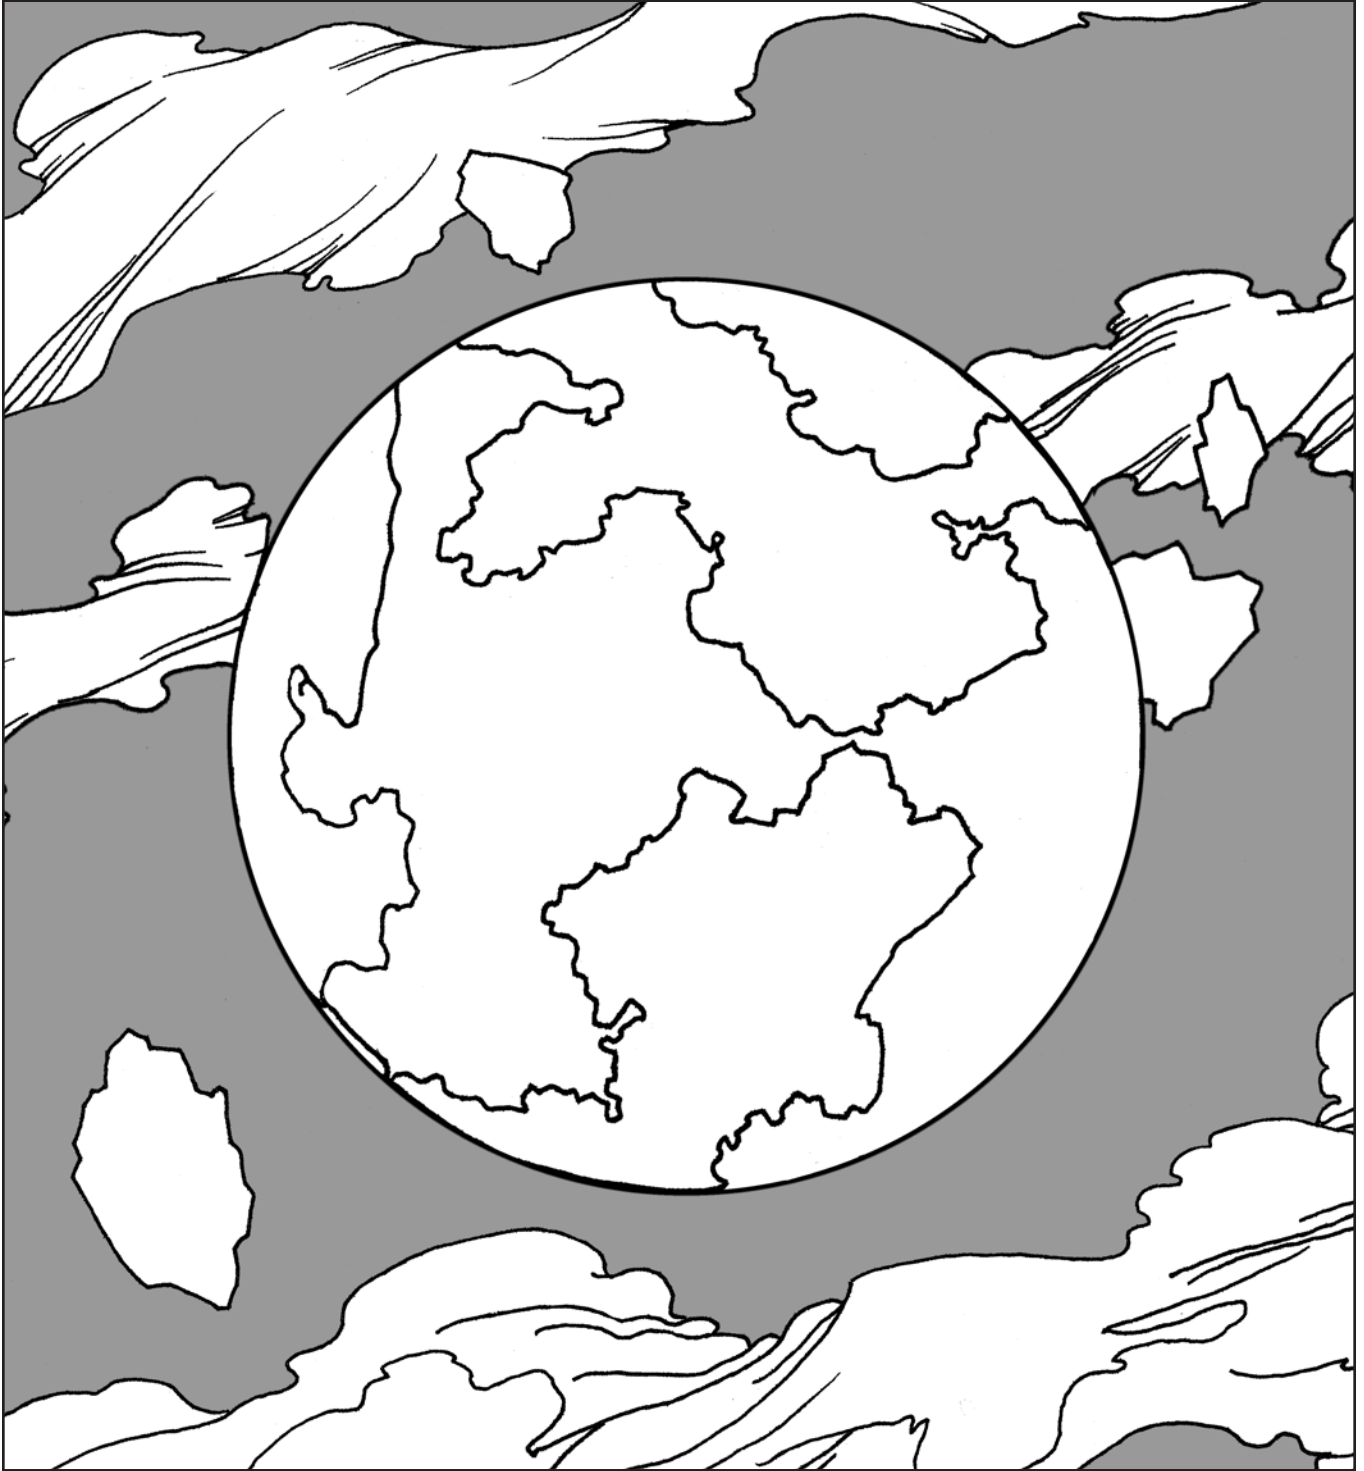

Creation

LEVEL 1 LESSON 1

Creation

Parents: Explain to your child that in the beginning God created a beautiful Earth, which was destroyed because of Satan's rebellion. Then, explain how God recreated the surface of the Earth.

DAY

NIGHT

On the ____ day of creation, God divided the light from the darkness. He called the light day, and the darkness night.

Parents: Ask your child what things make light and have him/her cut out pictures showing daytime. Do the same for darkness and nighttime.

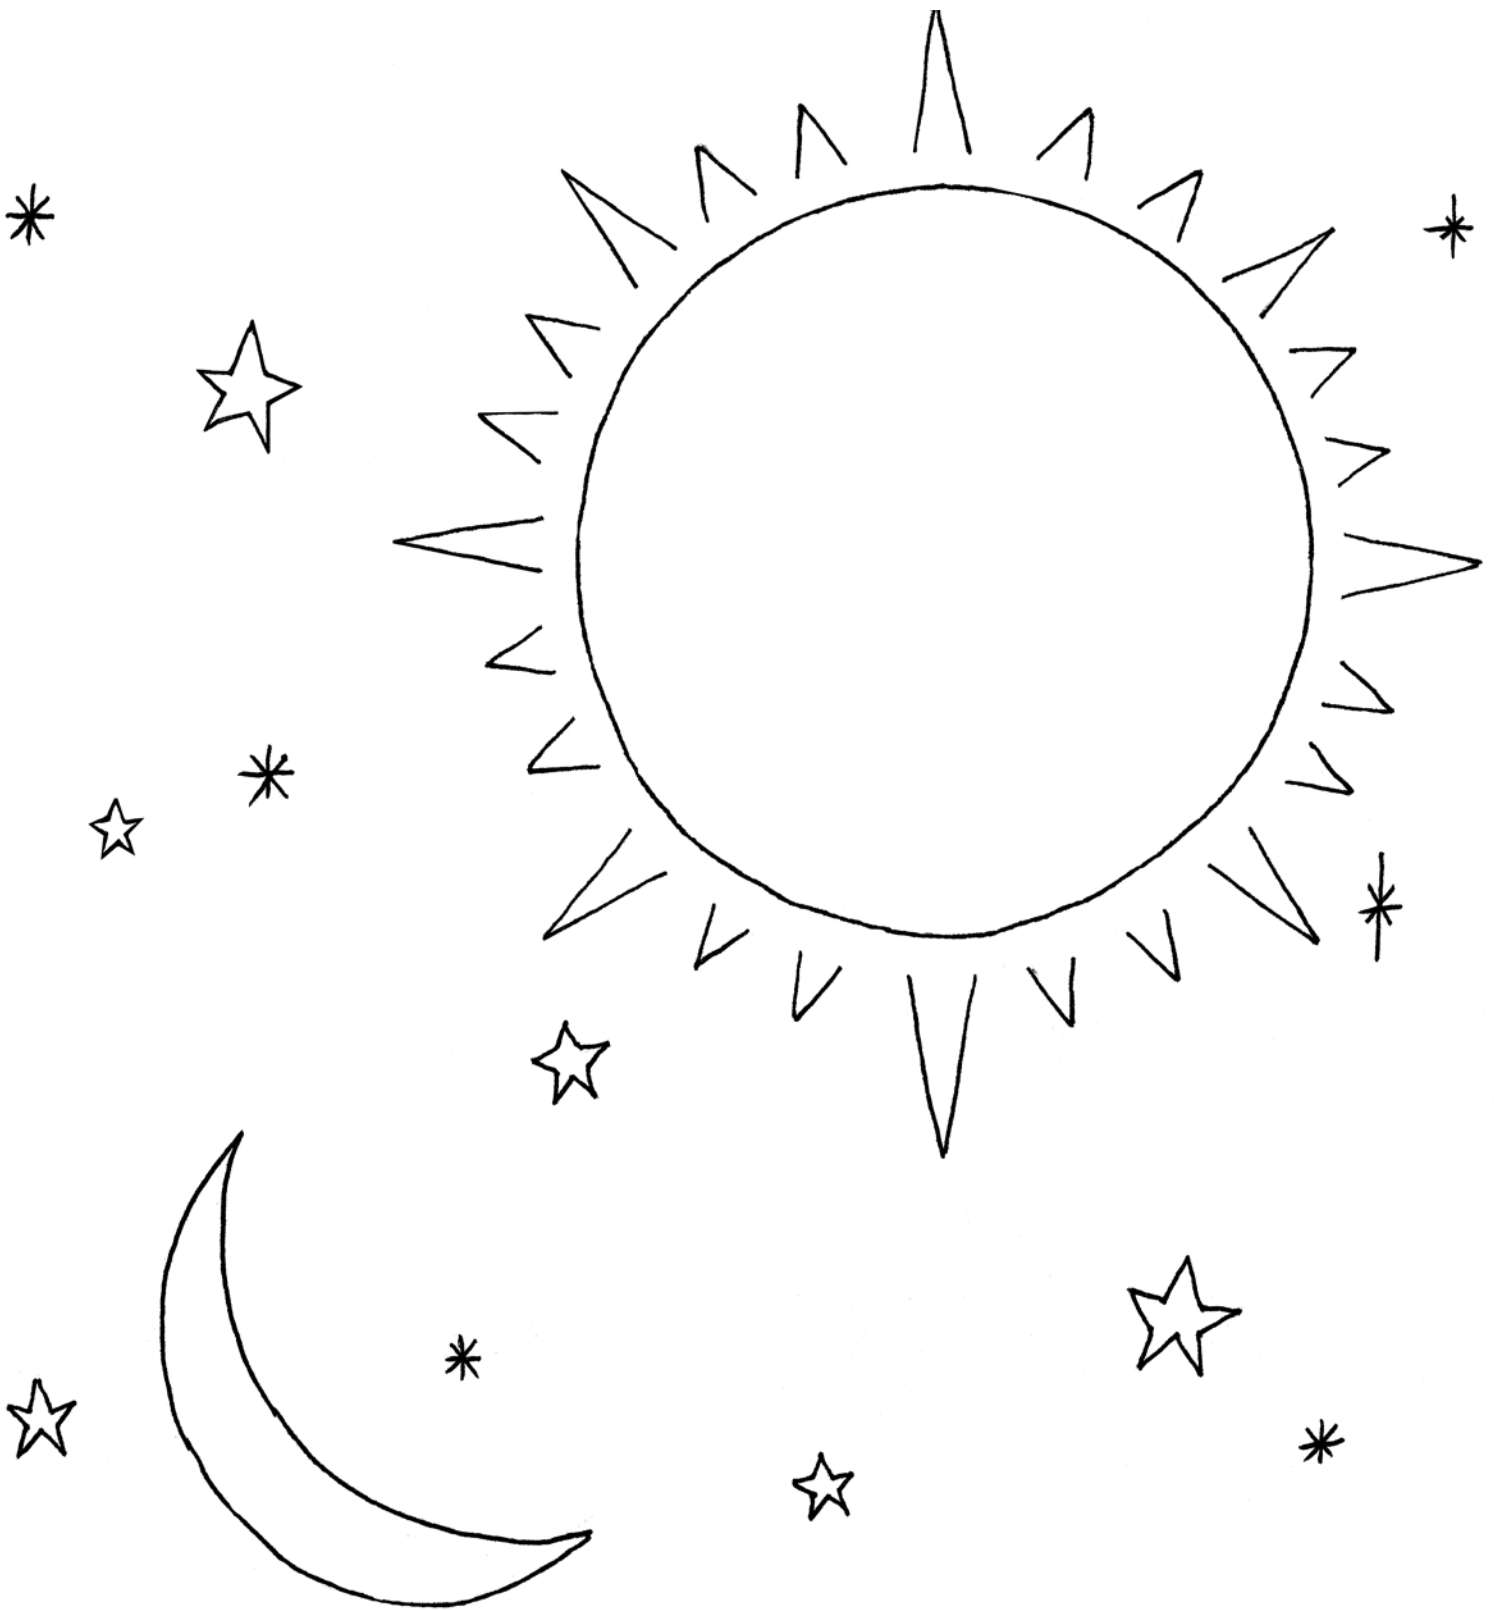

On the ____ day of creation, God made the firmament (firm-a-ment).
The firmament is the air we breathe, which covers the whole Earth.

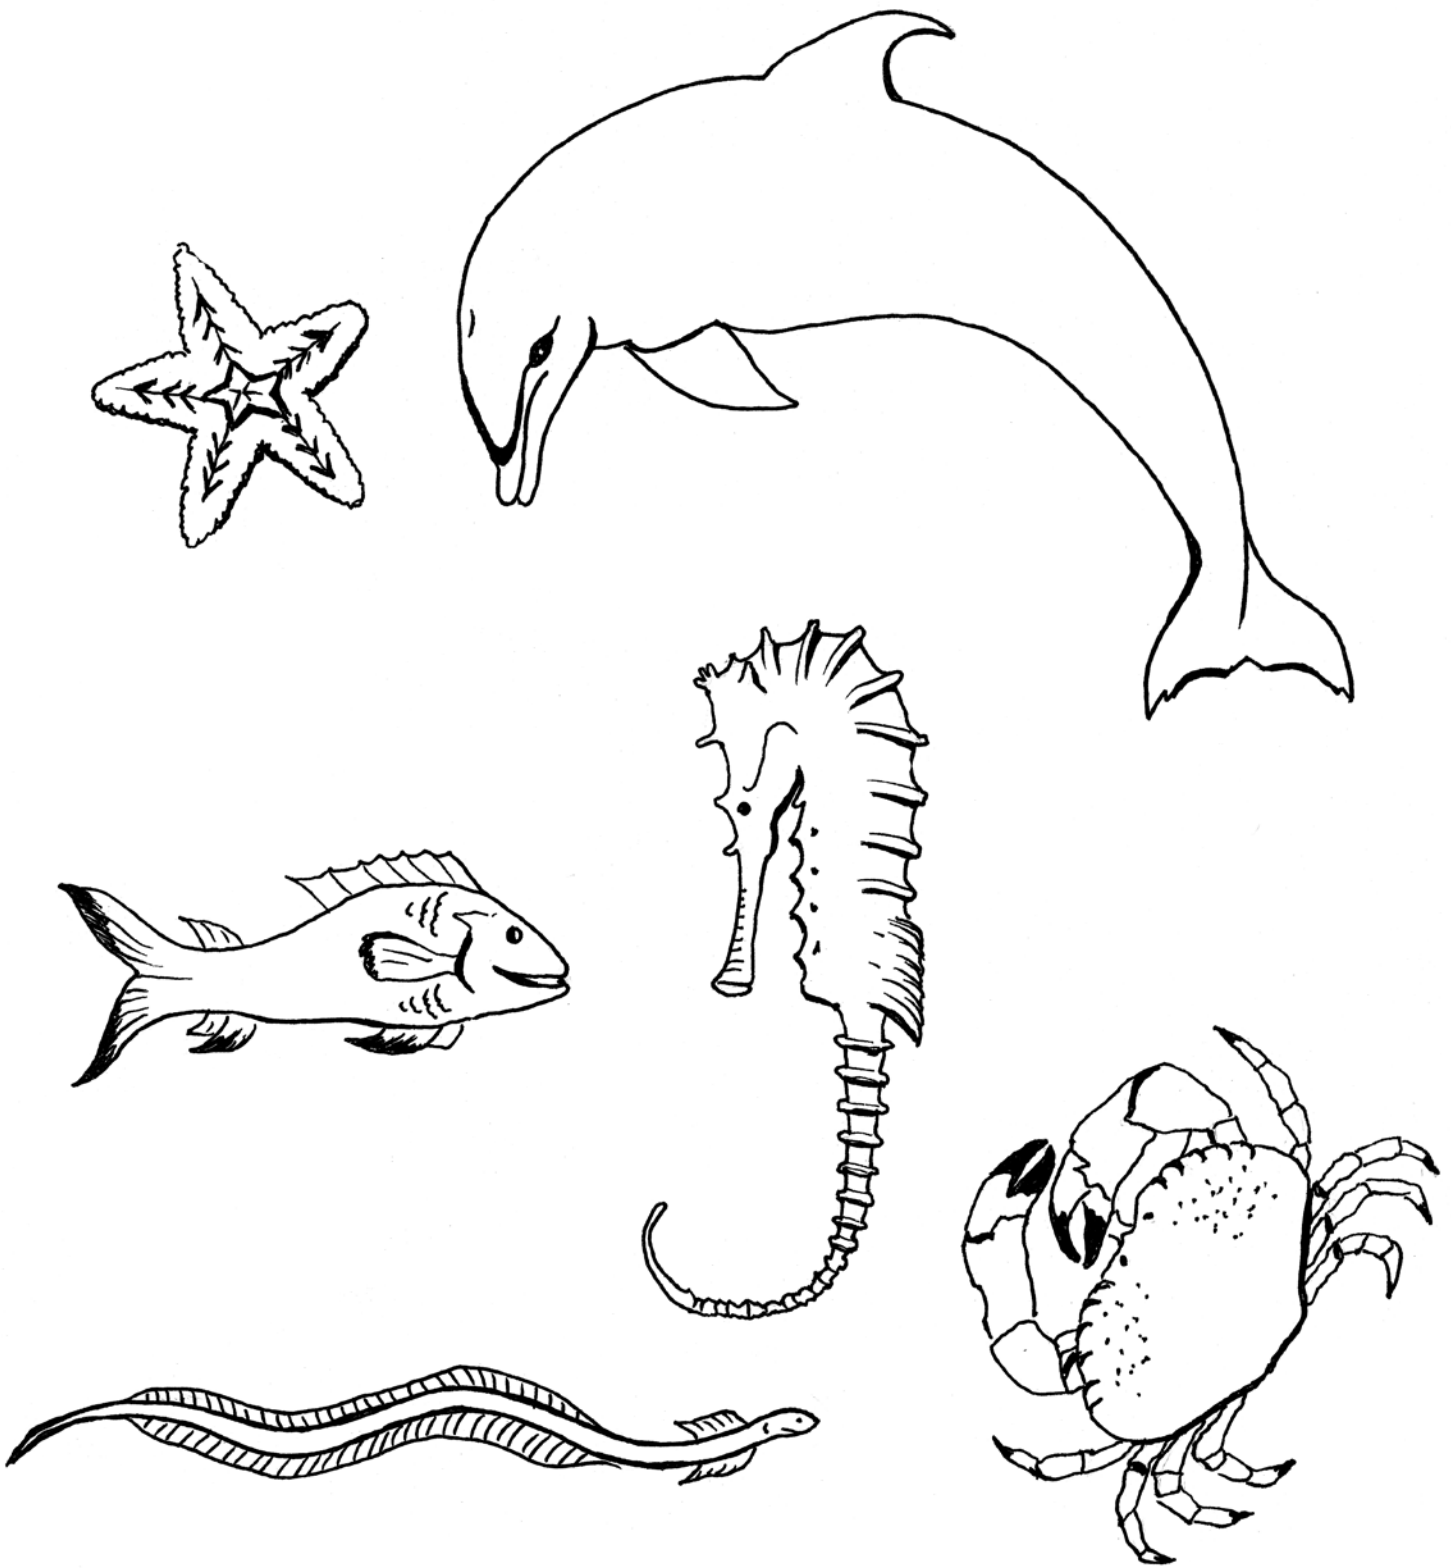

Parents: Explain that God separated the waters above and below the Earth.

On the _____ day of creation, God separated the seas from the land. He called the land earth. He also made all the trees, grasses and fruits of the land.

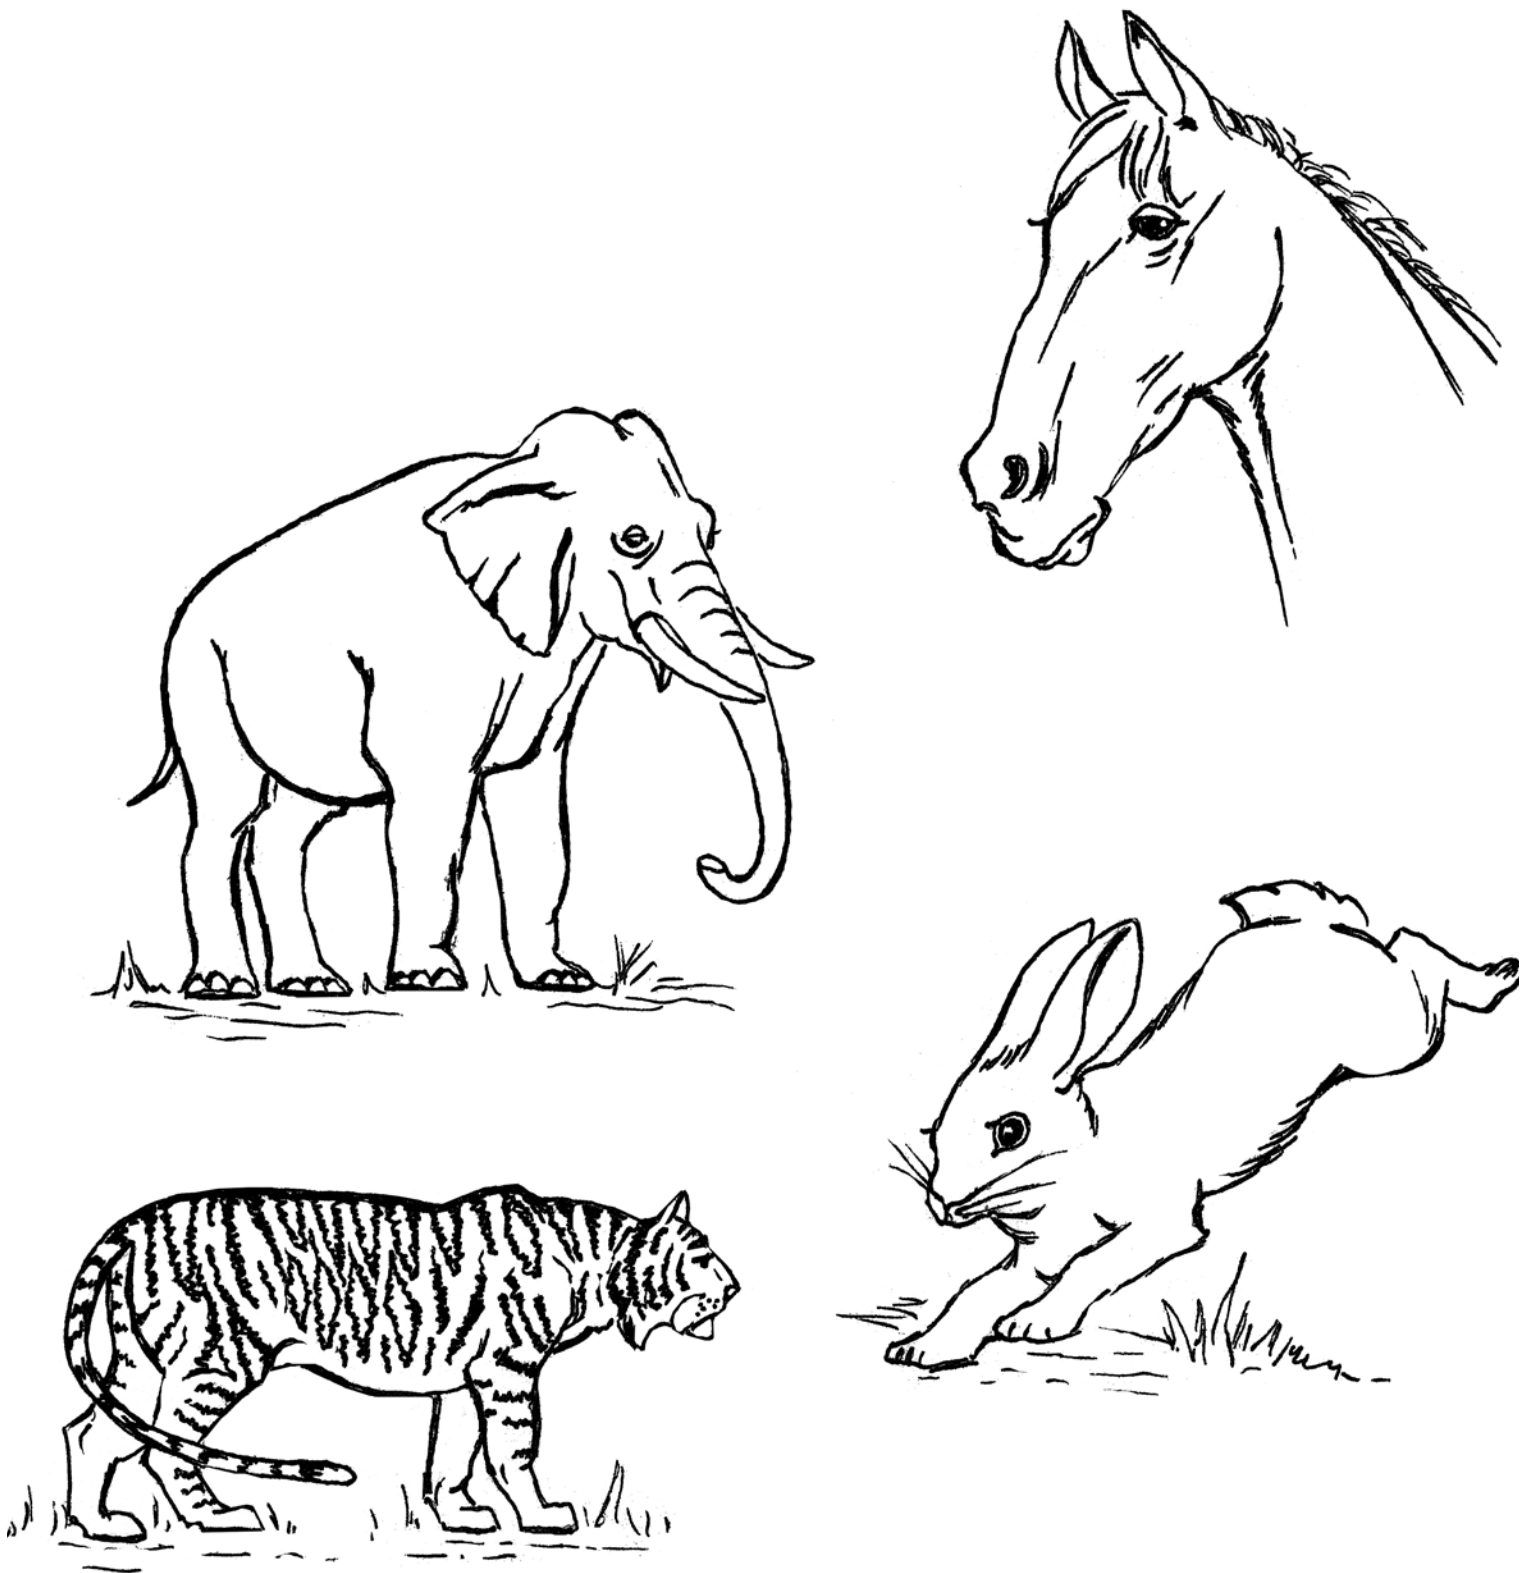

On the _____ day of creation, God made the _ _ _ to light up the day,
and the _ _ _ _ for the night. He also made all the stars in the heavens
visible.

On the _____ day of creation, God made all the animals that live in the oceans and waters that cover the Earth.

On the fifth day of creation, God also made all the birds.

On the ____ day of creation, God made ALL the land animals. That's a lot of work! He also made the first man that same day.

S U N

S

On the _____ day, God rested from all the hard work He was doing. God blessed this day and set it apart as a special time. This day is called the Sabbath. Every seventh day we obey God's command to rest from our daily work.

Parents: Let your child spell out the pictures. Ask them to take the first letter from each word and put it on the line below. Then, tell them about God's Holy Sabbath, which He made on the seventh day.

How does your family keep the Sabbath day?

BIBLE MEMORY: On day one, God created day and night.
On day two, God created the sky with the clouds and air.
On day three, God separated the sea and dry land, and made plants and trees.
On day four, God caused the sun, moon and stars to appear.
On day five, God created birds, fish and sea animals.
On day six, God created all the land animals and man.
On day seven, God created the Sabbath by resting from all His work.

(Note: Exact memorization is not necessary, but children should be able to describe what God did on each day of the creation week.)
