THE FALL FEASTS

The Fall Festivals

We observe special days throughout the year. God wants us to learn from His feasts and rejoice in them. The first fall Holy Day is the **Feast of Trumpets**. And then soon after is the **Day of Atonement**.

The Feast of Trumpets, like all of God's fall Holy Days, shows us something that will happen soon. It pictures the time when Jesus Christ will be back on Earth and the saints (Christians) are resurrected from the dead.

The Day of Atonement shows the time when Satan the devil, who lies to the whole world, will be taken away from the Earth. This will help bring all people back to God. Everyone will be "at one" with God. He will start to make the world new again.

God commands us to fast on the Day of Atonement. This means we are not to eat any food or drink any water for one whole day.

The **Feast of Tabernacles** is a great festival of God. It pictures the time when God's Kingdom grows around the world.

Those who cannot walk will be healed. They will be able to walk, run and jump. People who cannot see will be able to see clearly. Those who cannot hear will be able to hear sounds and music. The animals will be changed. Lions and tigers will eat grass and hay, like cows do. Snakes will not be poisonous. All children will be able to play without fear of attack.

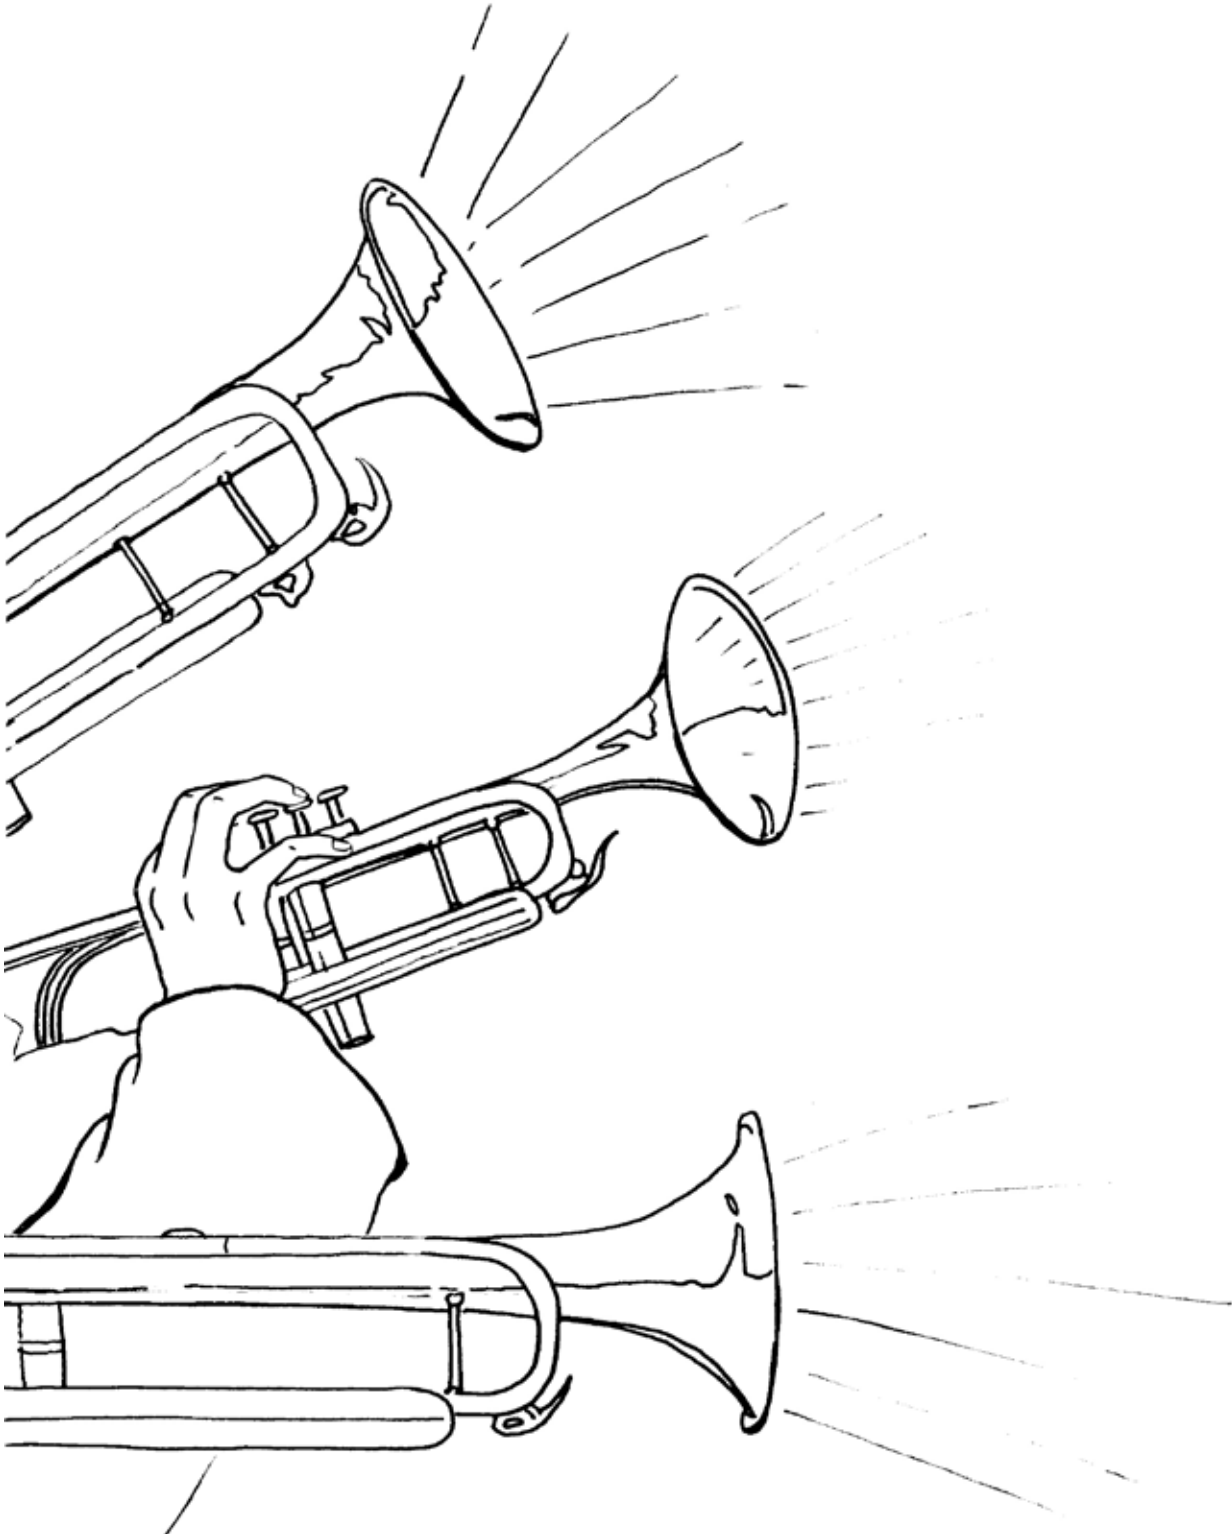

For the Feast of Tabernacles, you and your family pack your clothes and take a trip to a place that God chooses. A tabernacle is a place to live for a short time. During the Feast, God commands all of us to rejoice! That means we are to have fun, be happy, learn God's Way and practice living it.

God also commands that we save part of all the money we earn so we can keep the Feast of Tabernacles. This is called a tithe. A tithe is one-tenth of the money we earn all year. This pays for gas in the car and airplane tickets, a place to stay, food and gifts during the Feast. Be sure to save your second tithe so you can give to someone else during the Feast.

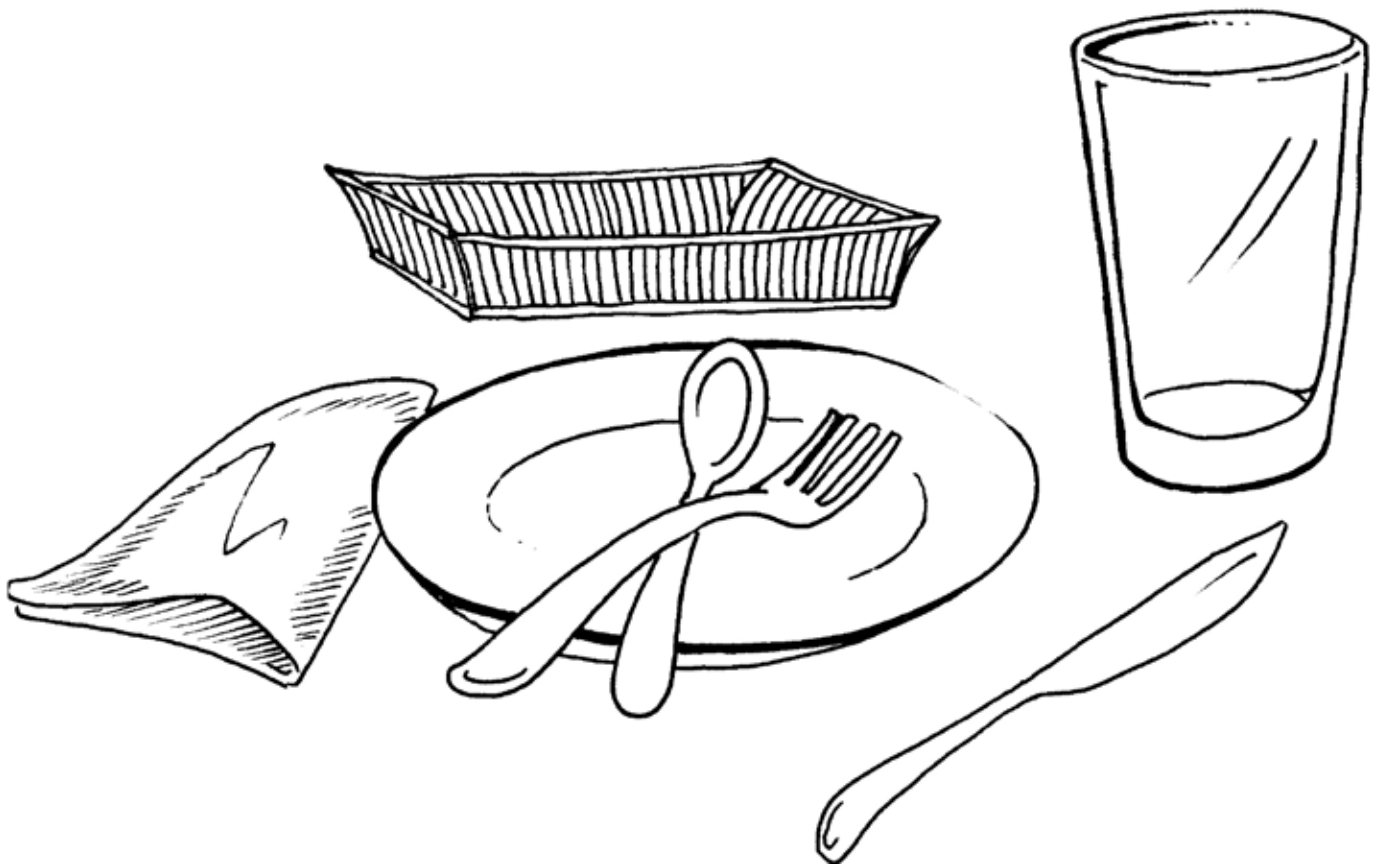

The **Last Great Day** is the final fall Holy Day. It is the feast day that is right after the Feast of Tabernacles. This Holy Day pictures the time when lots of people will be raised up from their graves and given new lives to learn God's Way. Can you imagine how happy everyone will be to see their relatives and family members who have died? God wants everyone to have the chance to learn His Way and be in His Family.

THE FEAST OF TRUMPETS

Imagine the sound of trumpets blasting out loud and clear. They would get your attention!

THE DAY OF ATONEMENT

On the Day of _____, we are commanded to afflict our souls (lives) by not _____ any food or _____ any liquid.

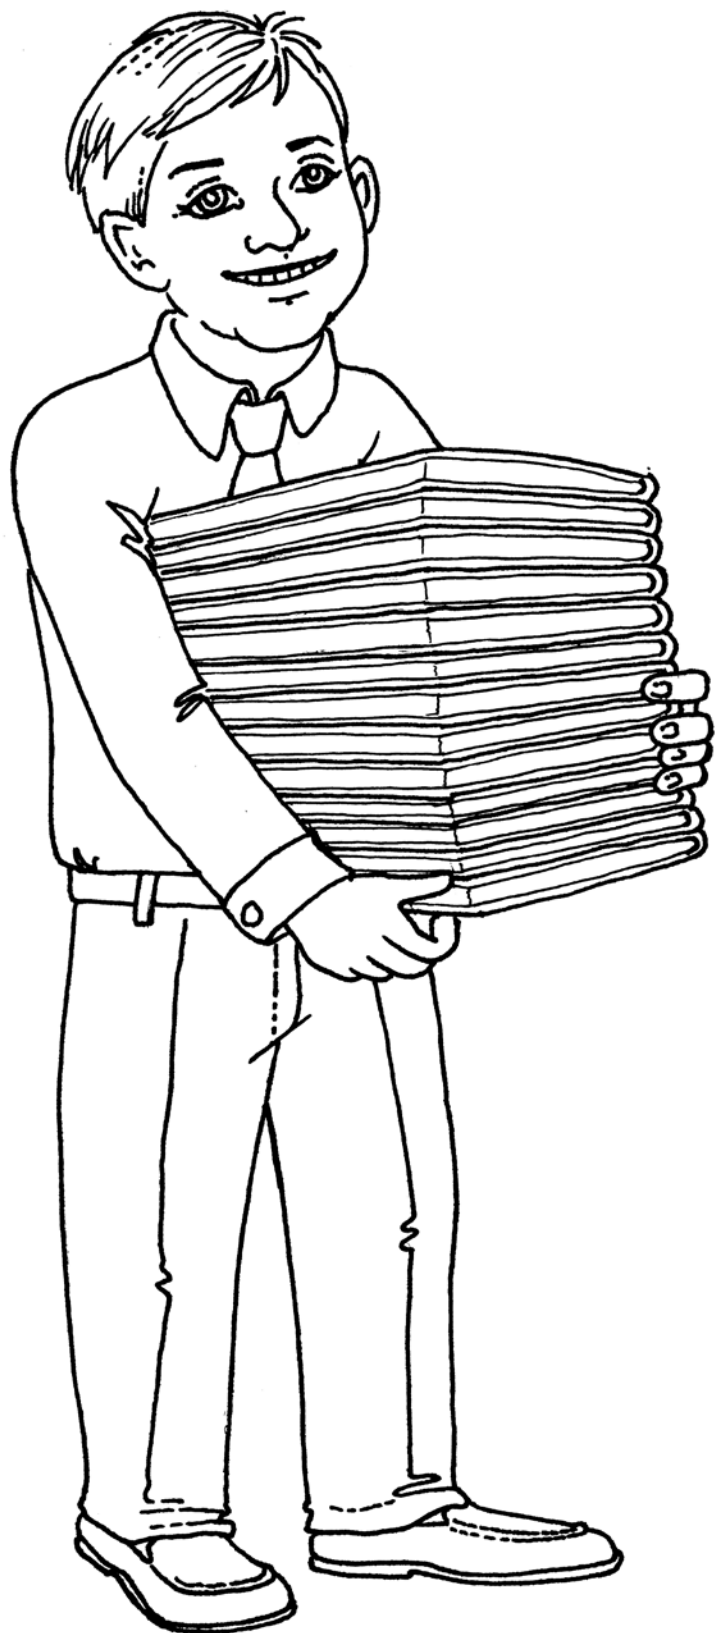

THE FEAST OF TABERNACLES

In the Kingdom, you will see children playing with big lions, little lambs, bears and baby goats without fear.

During the Holy Days, we give an **offering** to God to show Him that we want to help Him prepare the world for His Kingdom.

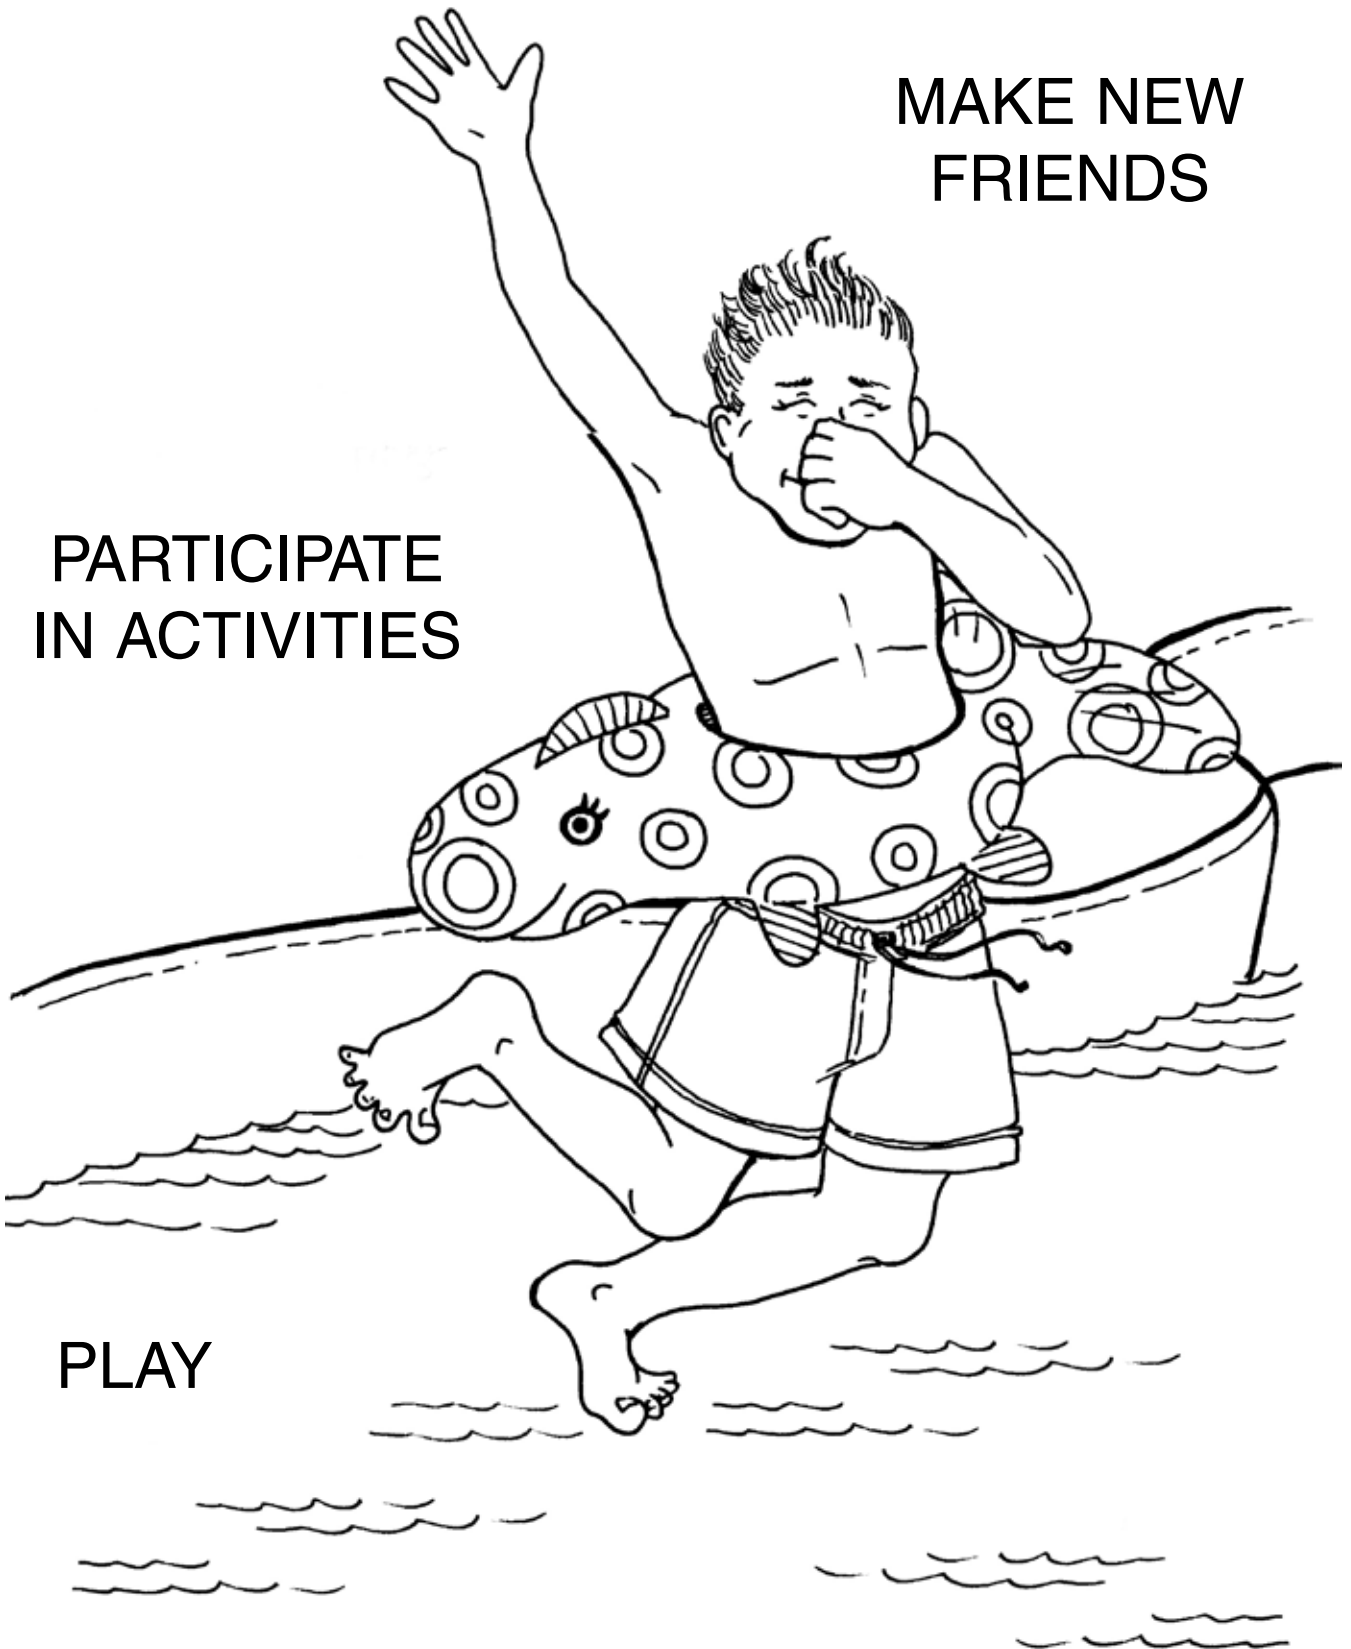

During the Feast, we help by serving others.

We give to others so they can enjoy the Feast.
