

THE RESTORED CHURCH OF GOD

Fall Holy Days Coloring Book

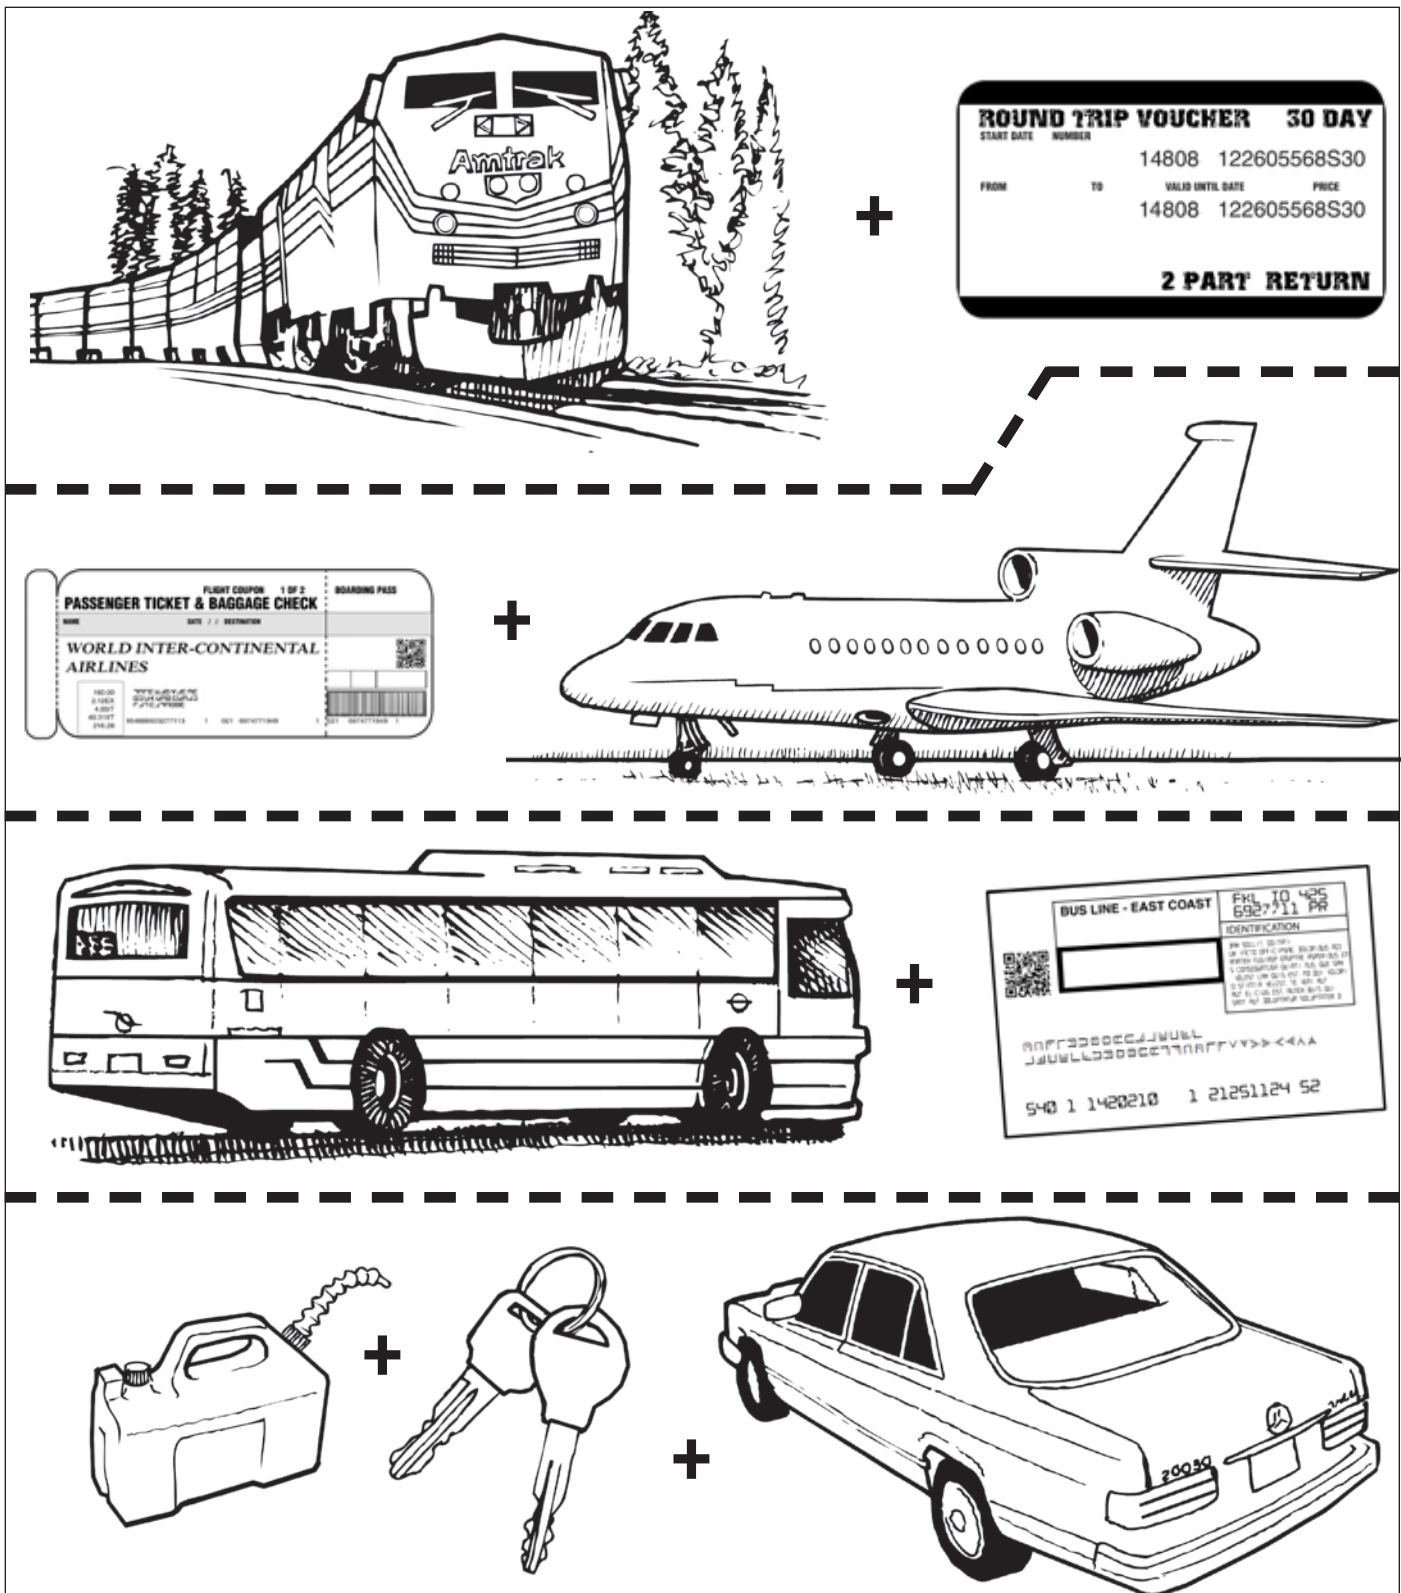

The fall festival season
is here again.

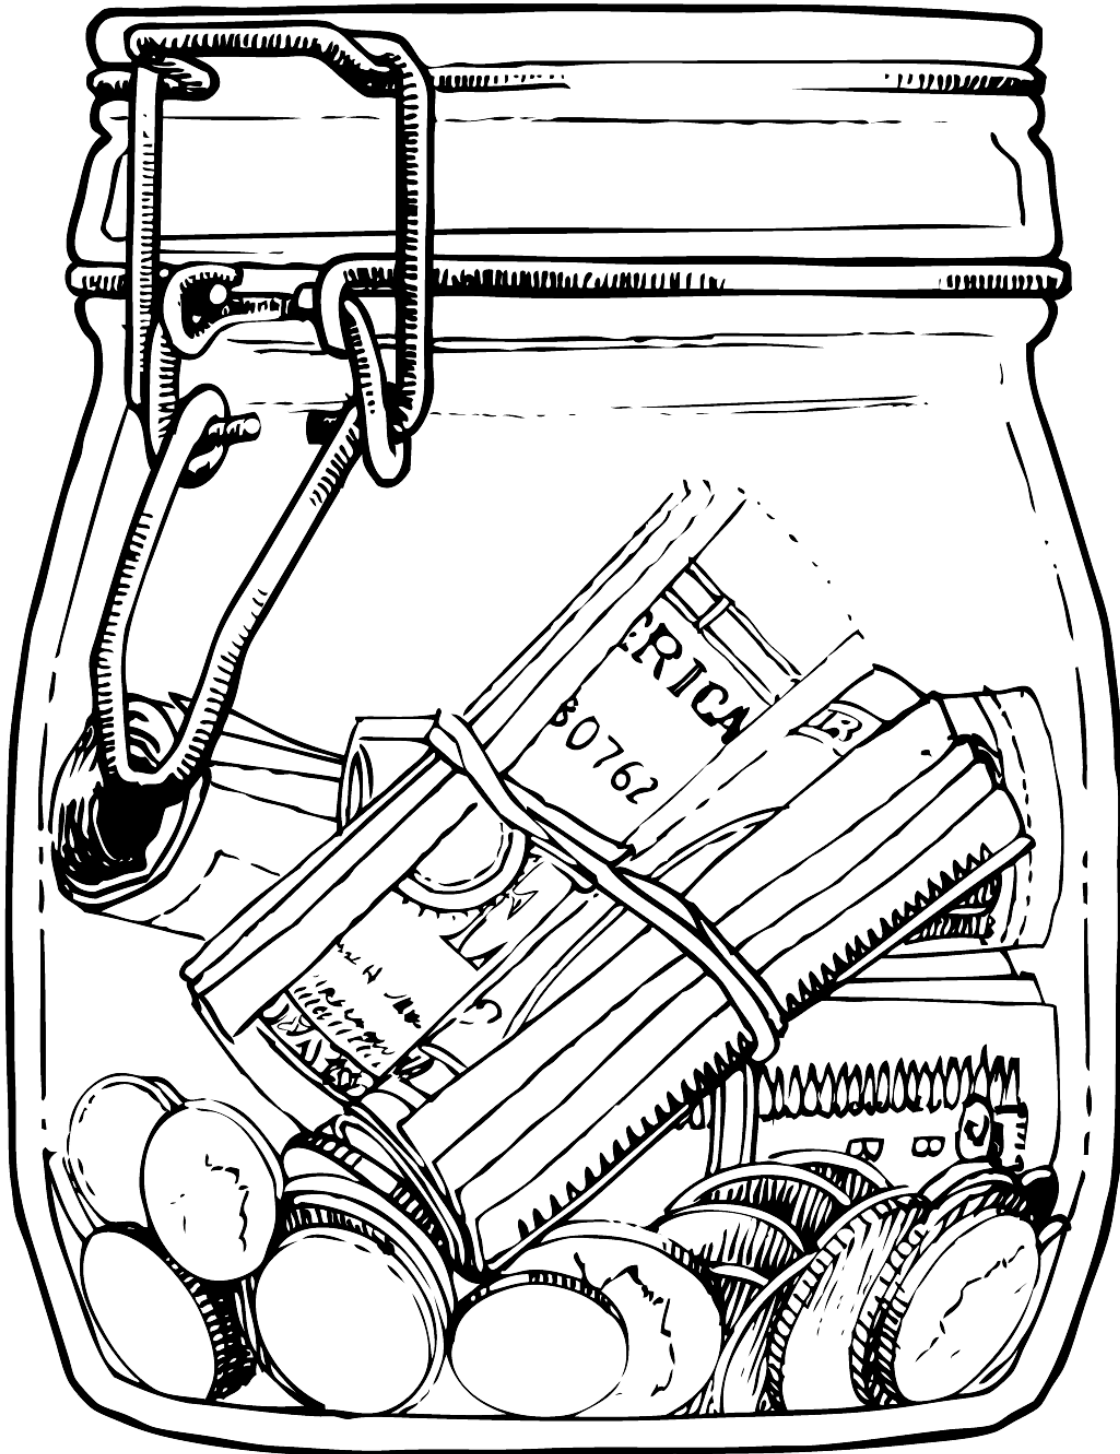

Our families make plans
and prepare to attend
Holy Day services.

We plan where we will stay
during God's Feast.

We plan how we will travel
to the Feast.

We prepare our offerings
to give to God.

We wash, iron and pack
our best clothing.

We make sure our mail is held
at the post office and not
delivered to our house.

We arrange for others to take care of our animals.

We pack notepads and pens
so we can write down and
remember messages at the Feast.

We look forward to having
fun with our families
for a whole week!

If you watch carefully, you will see new things when traveling to God's Feast.

Draw pictures of the new things you see at the Feast.
Then take your pictures home to show others what you saw!
