

THE RESTORED CHURCH OF GOD®

Spring Holy Days Coloring Book

Spring is here! Birds chirp in the morning, grass turns green, colorful flowers appear, and it is warm enough to play outside.

It is also a time when baby lambs are born.

We help our parents remove all of the bread crumbs from the house.

We also help our moms make
unleavened bread.

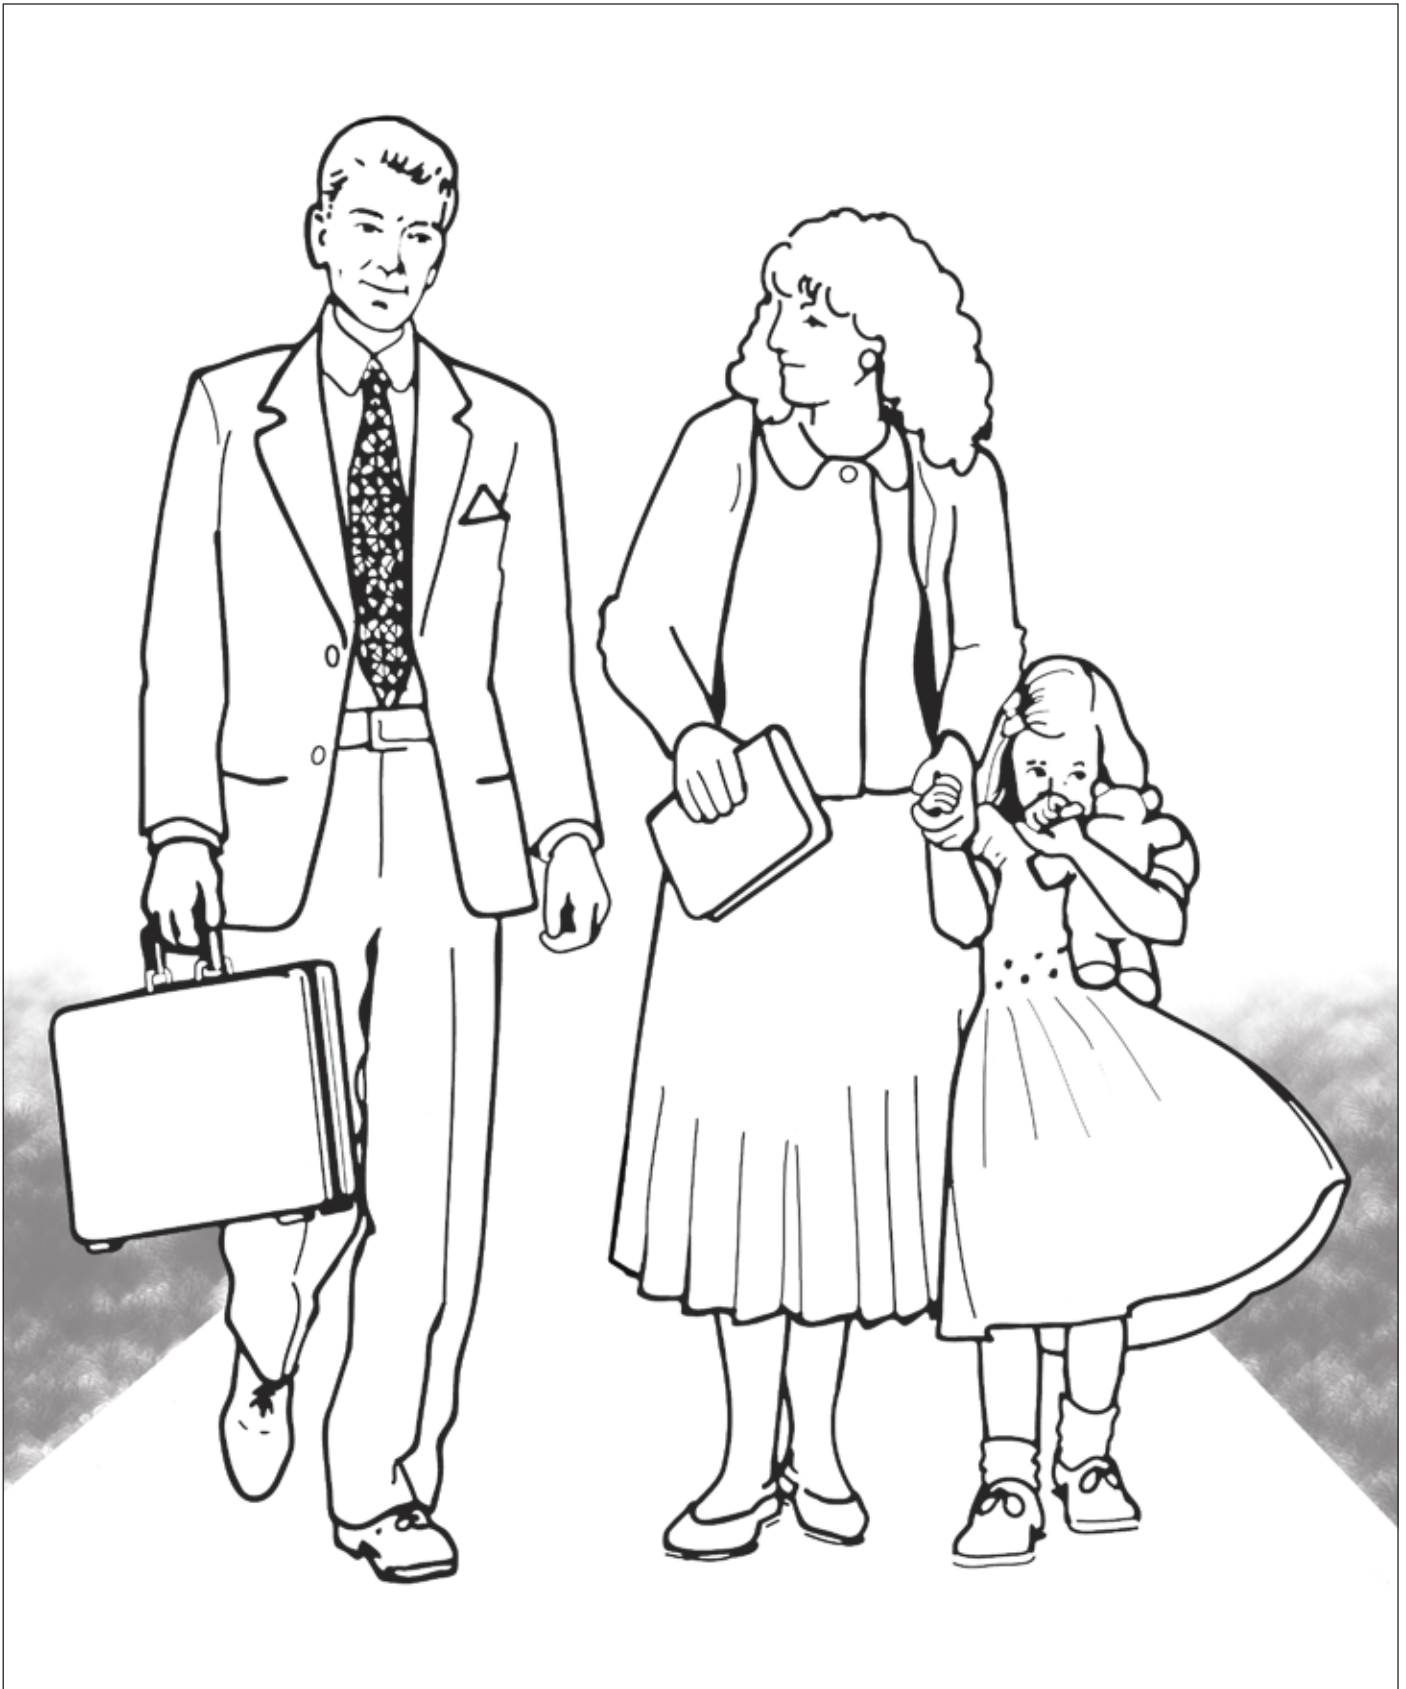

We eat the unleavened bread and other food during a special dinner.

We enjoy this dinner on the evening the Bible calls “the Night to Be Much Observed.”

Our dads teach us the meaning of the Holy Days,
and we study the Bible.

The family dresses up and goes to Holy Day services.

We make friends in the Church.

The family gives money as an offering to God.
