

When the snow melts and the spring rains arrive, God's calendar year begins.

In ancient times, God told the Israelites to choose a lamb in the spring to sacrifice for the Passover.

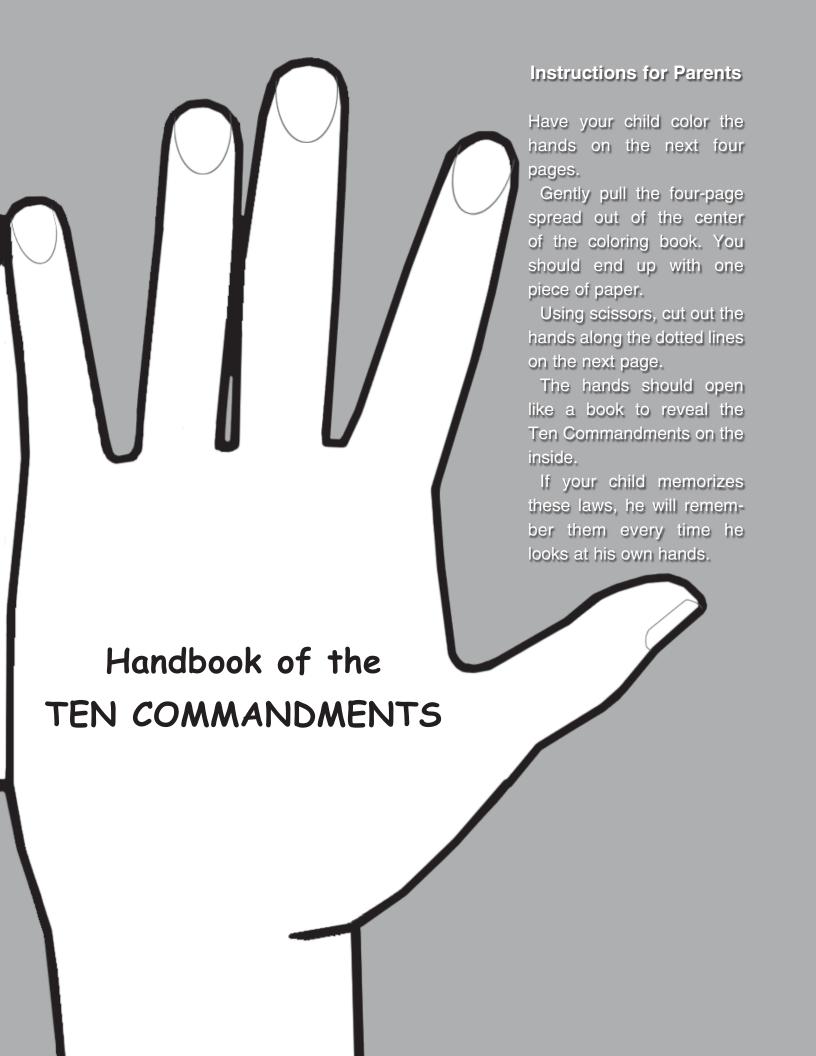

The ancient Israelites enslaved in Egypt spread the lamb's blood around their doors so the angel of death would pass over their homes.

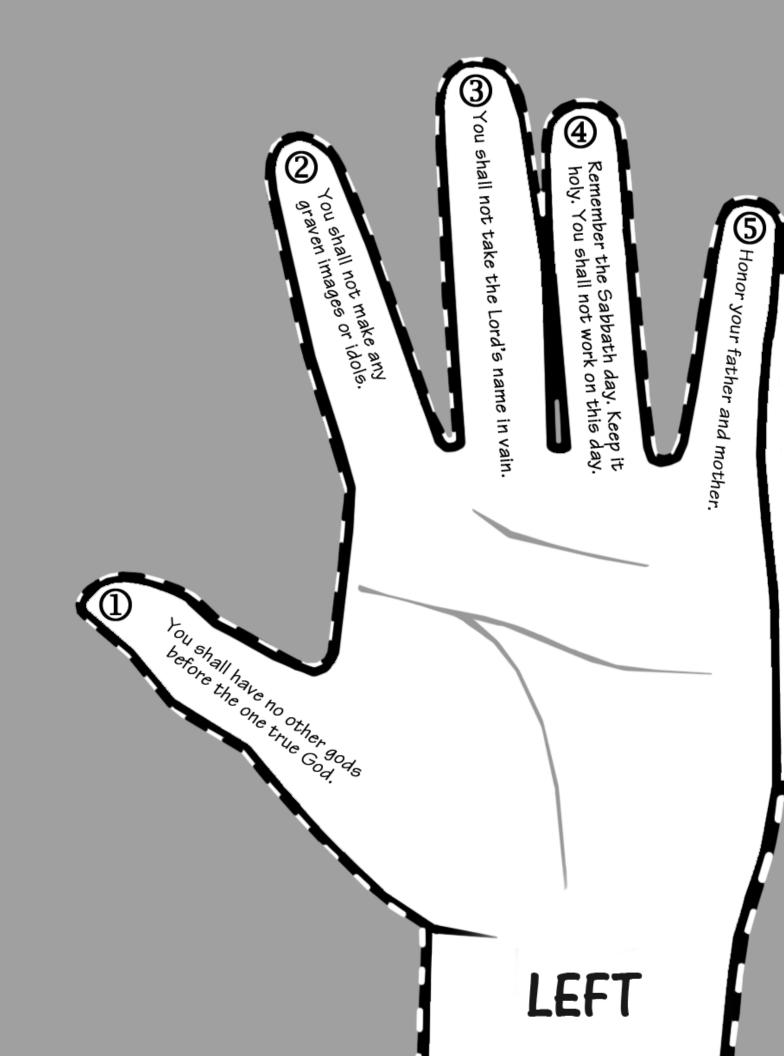

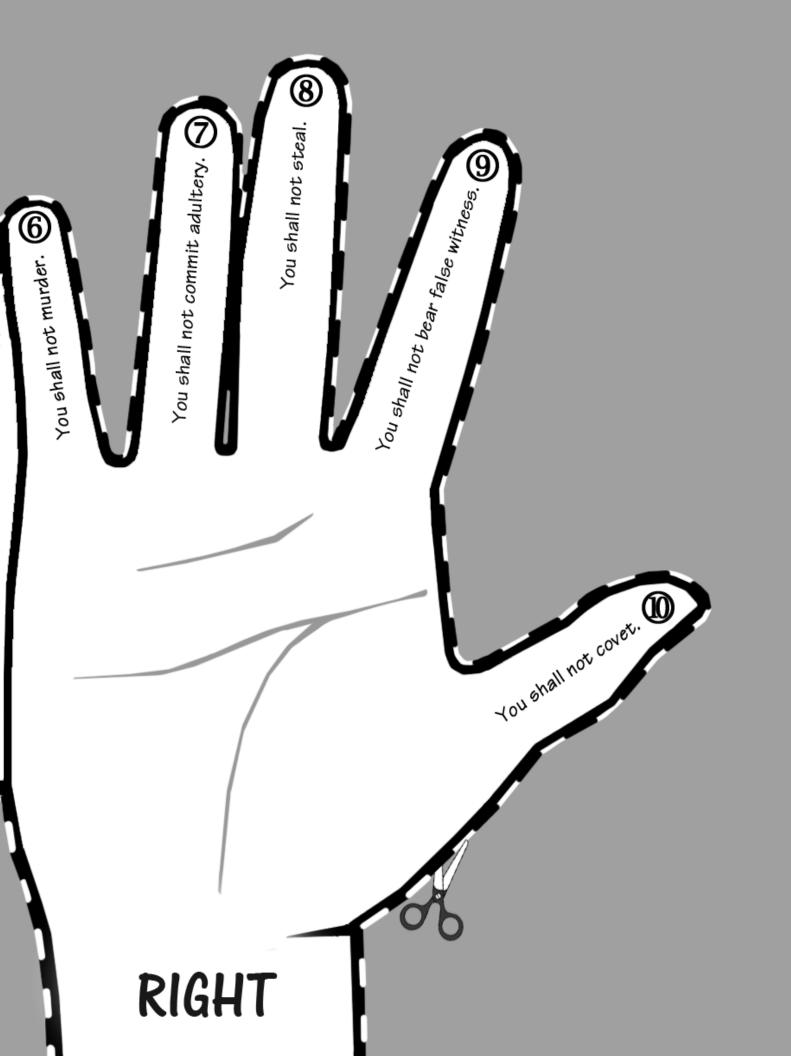

When keeping the Passover today, we remember Jesus Christ's sacrifice. He gave His life for our sins.

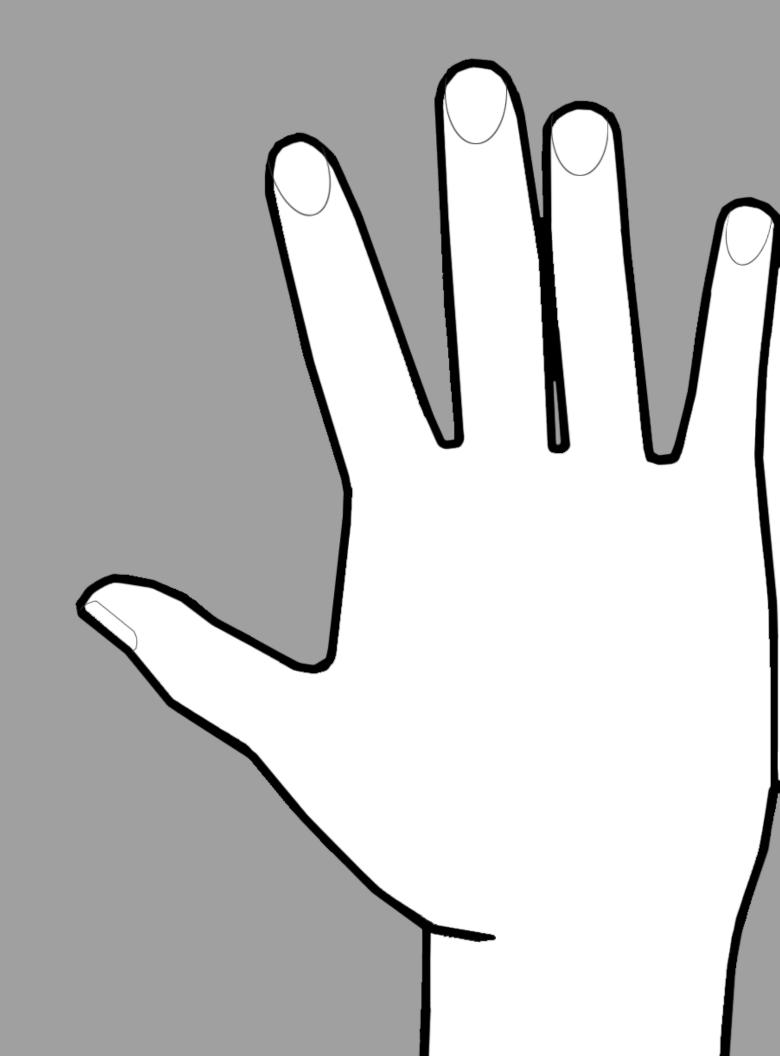

During the Days of Unleavened Bread, we bake and eat unleavened bread to show God we are trying to live a humble (flat) life.
